TWO BODIES FOUND.

MRS. SIMMONS, OF FREDERICK, MD.,
DIES OF HER INJURIES.

WINDSOR HOTEL DEAD NOW 26.

Twenty-Seven of the Employees Still Unaccounted For--Mr. Leland Denies That He Has Been "Followed by Fire."

NEW YORK, March 25.--Two bodies were found in the Windsor Hotel fire ruins today. Mrs. Martha M. Simmons, 50 years old, of Frederick, Md., who was injured in the fire, died at Bellevue Hospital to-night. The number of known dead is now twenty-six. A special patrolman, formerly employed in the hotel, has completed his list of missing employees. Sixteen men and eleven women are unaccounted for. This count has been made very carefully, the patrolman says.

Warren F. Leland, proprietor of the Windsor Hotel, said today: "The unidentified dead taken from the ruins of the hotel will not be buried in the Potter's Field. Just where they will be buried I cannot say yet. I received a letter to-day from Charles Vanderbilt, offering a plot in the Sleepy Hollow Cemetery for the burial of the victims, and another from Stephen Merrill, offering a plot in Green Lawn Cemetery, Long Island. This goes to show that the public would not permit any sacrifice, even if I would."

"One error I wish to correct, and that is the statement that I have been followed by fire. The impression seems to prevail that several hotels have been burned under my management. This is not true. The Windsor was the first hotel that was ever burned under my management. I was not proprietor or manager of the hotels at Newport and Albany when they were burned. I also wish to state that absolutely every precaution that man could take had been provided against fire in the Windsor Hotel."

STOCKS VERY STRONG.

The Transactions Over 500,000 Shares.

NEW YORK, March 25.--Stocks were very strong today, and with transactions of over half a million shares in the two-hour session, material gains were quite general, and quotations closed at about half the best. Expectation that the bank statement would be favorable was an early incentive to purchases, and when it appeared, although showing an increase of only half a million in the surplus reserve, it received a favorable interpretation, and most stocks continued their progress upward. The firmness of American bonds in London, in anticipation of the fortnightly settlement, the reappearance of large factors in the market, less apprehension as to the monetary situation, and the nearness to the close of certain State legislatures, were all assigned as reasons for confidence in market operations.

The announcement of the formal transfer of the Brooklyn Union Elevated to Brooklyn Rapid-Transport interest gave particular buoyancy to the Transit Company's stock, which rose 4 1/2 points on Monday. The Brooklyn Union Elevated, which is understood to have a working arrangement with Brooklyn Rapid-Transport, there were sympathetic advances with Transit in other local transportation shares. Metropolitan figuring for 4 1/2, Third Avenue for 4 1/2, and the New York City for 4 1/2. Among the Industrials Continental Tobacco preferred got up 3/4, Federal Steel 1/2, People's Gas 1/2, and Consolidated Gas 1/2.

Among the Vanderbilts there were advances for New York Central and Canada Southern. Increased interest appeared among the Grangers, with improving prices for the latter. Leading with 1/4, Strength was also displayed by Atchafalpa preferred, Southern Railway preferred, and St. Louis and North American. Most loans were made on Friday to carry over until Monday, the fact that call rates ruled today at 100 and 100 1/2, and the fact that the market closed strong.

Standard Oil closed 4 1/2, and showed a generally healthy tone, with notable improvements in many securities. United States new 4 1/2, 4 1/2, and 4 1/2, and old 4 1/2, coupon 1/2, and do., registered, 3/4, in the bid price.

The total sales of stocks were 547,800 shares, including 3,355 Atchafalpa, 8,250 do., preferred; 22,485 Chicago, Burlington and Quincy; 17,870 Manhattan; 4,925 do., preferred; 1,750 Northern Pacific; 7,240 Rock Island; 6,770 Union Pacific; 1,250 do., preferred; 10,975 St. Paul; 3,480 American Steel and Wire; 3,915 Federal Steel; 11,615 do., preferred; 11,925 People's Gas; 11,040 Brooklyn Transit; 5,525 Sugar; 2,900 Leather; preferred; 11,100 Chicago Great Western.

MONEY AND EXCHANGE. Money on call firm at 4 per cent; prime mercantile paper, 3 1/2 to 4 per cent. Sterling exchange steady, with actual business in bankable bills at 82 1/2 to 83 1/2; posted rates, \$4.87 1/2 to \$4.88 1/2 for sixty days; commercial bills, \$4.87 1/2 to \$4.88 1/2. Bar silver, 39 1/2. Mexican dollars, 47 1/2. State bonds inactive. Railroad bonds strong. Government bonds strong.

The weekly bank statement shows the following changes: Assets, increase, \$18,750. Loans, increase, \$130,000. Deposits, increase, \$123,800. Legal tender, increase, \$3,000. Deposits, increase, \$3,000. Circulation, increase, \$10,100. The banks now hold \$14,457,425 in excess of the legal requirements.

POLITICS IN STATE.

IN THE FIELD FOR THE SPRING RACES.

NOMINATIONS MADE YESTERDAY

By Democrats of Rockbridge and Gloucester Counties--A Warm Contest in the Former--The Latter Has a Harmonious Convention.

LEXINGTON, Va., March 25.--(Special.) The contest among Democrats this afternoon to nominate candidates for district offices in the six districts of Rockbridge county, was the hottest and most stubborn in the history of the county primaries. The great fight was over commissioners of Revenue. Andrew Warner, incumbent, swept the field with an average of sixty to one over all opponents created in Lexington District. In Kerr's Creek District, Royd Hickman, Buffalo District, J. Montgomery Johnston; Nat. Nat. Bridge District, Edward Barger; South River District, Hall A. Lackey, and Walker's Creek District, D. H. East, secured the nominations. There were twenty-seven aspirants for these six nominations, and the attendance of voters was equal to that at a regular election, so great was the interest manifested. The following were nominated for County Supervisors: J. P. Welsh, J. H. Harper, J. L. Kinnear, and William Matthews.

The County Republican Committee met here to-day and decided not to hold a county convention to nominate candidates for county offices, and also not to nominate for Lexington District offices. They will, however, hold primaries in the other five districts in the county.

GLOUCESTER DEMOCRATS.

They Have a Harmonious Convention.

GLOUCESTER COURTHOUSE, VA., March 25.--(Special.)--The Democratic convention met here to-day and nominated candidates for county and district offices.

Captain John N. Tabb was chairman, and Mr. J. D. Stubbs, secretary of the convention. The following nominations were made: For Clerk, H. L. Bridges; for Treasurer, H. L. Carr; for Sheriff, Robert H. Farinholt; for Commissioner of Revenue, J. D. Stubbs; for Commonwealth's Attorney, Mary Jones.

These nominations were made in the meeting. Messrs. Bridges, Stubbs, and Jones came before the convention and accepted the nomination in brief speeches. Mr. Farinholt was not present, but said over the phone that he would accept. It is not yet known whether Mr. Carr will accept.

Mr. A. T. Wyatt and Major W. K. Perrin, incumbents, would have been unanimously nominated for Clerk and Sheriff, respectively, but they declined to submit their claims to the convention. There are now two Democratic tickets in the field.

It is said that the Republicans will meet on Monday to consult as to making nominations. Messrs. R. P. Gray, A. M. Pointer, and W. W. Williams are the Democratic nominees for supervisors.

SENATOR MARTIN.

He is Confident of Re-Election to the Senate.

NORFOLK, Va., March 25.--(Special.)--Senator Thomas S. Martin, who arrived here last night for a conference with his political friends of the Second District, takes a favorable view of his chances for re-election. The withdrawal of General Fitzhugh Lee from the race, he says, practically insures his success. Among those who were present at the conference were the Hon. W. A. Young; Colonel C. Fenton Day, chairman of the District Congressional Committee; Colonel R. E. Boykin, of Isle of Wight; Judge J. W. Blackstone, of Accomac; Judge W. N. Portlock, Mr. W. T. Anderson, and Mr. F. E. Wilcox, of Norfolk.

NOW IT'S A COCONUT TRUST.

Wetmore, of St. Louis, Proposes to Fight It to a Finish.

ST. LOUIS, MO., March 24.--President M. C. Wetmore, of the Liggett & Myers Tobacco Company, who is a stockholder in the Philadelphia coconut manufacturing concern, known as the Wetmore & Co. Manufacturing Company, of which his brother, J. J. Wetmore, is president, to-day received a telegram from J. J. Wetmore, dated New York, which said: "Coconut manufacturers to syndicate the manufacture. Underwriters ready to capitalize \$7,000,000. Shall we go in?" Mr. Wetmore replied: "Of other coconut manufacturers form trust we will remain independent, and fight them to a finish."

Mr. Wetmore said to-night to the Associated Press that about seven of the coconut manufacturers of the country were interested in this proposed combine.
